

TALKING TENNIS NEWSLETTER

Welcome to the 2018 Talking Tennis newsletter edition. We are excited for the year ahead and hope to provide you all with some interesting tennis information and what's happening within our own local clubs and competitions.

Sydney Tennis League (STL) has been postponed for term 1 2018 from
TNSW

COMPETITIONS

All 2018 competitions have kicked off in great style as per usual. We have 93 junior teams and 94 senior teams entered across all our competitions. We wish everyone a great year and successful competitions.

STL: We will keep all clubs and coaches updated when we hear

more information from TNSW for future STL competitions.

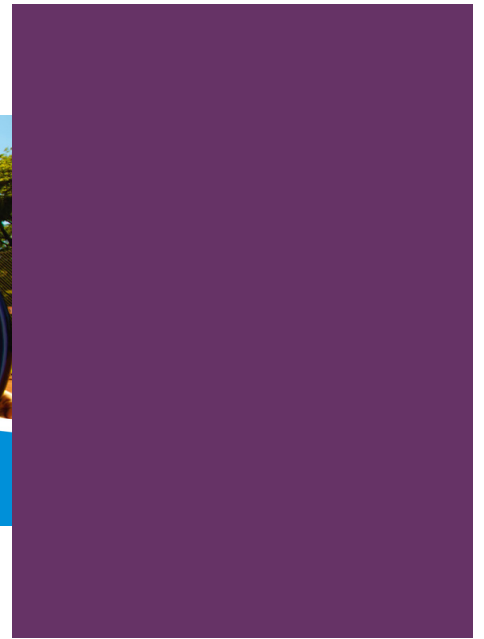

During the adult competitions, play is to be "continuous" this does not mean that you cannot change the order of serve or receive; it just means there is no break between sets!

The Committee have updated the rulebook and this will be published shortly for all to view via the website.

Choose a sport they can play forever ... Tennis!

PRESIDENT'S CORNER

I'd first like to thank my hard working committee over the break. The effort they put in week in and week out on many fronts is what holds our association in high steed as one of the leading associations in Tennis NSW.

With all the tennis over the summer break I hope it has spurred everyone on to dust off those cob webs from their racquets or join back into one of our competitions for some smashing fun. With this being said I would like to encourage all clubs and coaches to

register their players with TNSW. This registration is important for insurance purposes, future funding from government initiatives and in order to keep local sporting venues.

Joel Goodwin

CLUB NEWS

A gentle reminder that all club committee members must have valid working with children checks (WWC) and there also should be a child protection officer delegated to each club as required by TNSW.

Tennis Australia has a zero tolerance approach to any form of child abuse and is committed to ensuring the sport of tennis is a safe and friendly environment for children and young people.

<http://www.tennis.com.au/nsw/clubs/working-with-children-check>

Keeping in line with all things safe, does your club have an emergency plan if things go poorly?

Well don't forget to check out the Sports Defibrillator program and NSW government grants.

[Defibrillator- sports grants](#)

We also wish to take the time here to point out that in the best interest for our sport and the success of our strong local competitions that clubs should not run or appear to be running competitions that conflict with Tennis Northern Beaches arranged competitions /tournaments.

DID YOU KNOW?

🎾 Foot faults whilst neither side can call them (only an on court official can) we should not be doing them, always make sure that your feet do not touch or go over the service line (of course touching court) before you have made contact with the ball.

🎾 The Tennis Northern Beaches Calendar is up on the website for your viewing. Please take note of the dates and check back regularly to see if any changes have been made.

🎾 Tennis Northern Beaches Committee hold regular meetings. Please feel free to come along and hear what has been happening or is coming up. If you would like to come along please email tennisnb@tpg.com.au for the next meeting details.

TNB

See you on the court!
